

## DUNCAN'S CRUSADE

**MOST TV stars want to make their mark, but Duncan Stewart wants to leave no trace.**

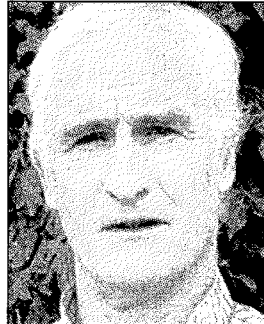

**This is the name of the campaign to which he is giving his full support.**

**The environmentalist and About The House host will launch the Leave No Trace Ireland programme on September 27.**

**Leave No Trace Ireland is a network of organisations and individuals with an interest in promoting the responsible recreational use of the countryside.**

**They don't want to ban picnics and barbecues but want people to take their littler home and to ensure they don't cause fires.**

**The organisation's work is funded by Coillte, The Forest Service and The Heritage Council.**
